PART - C

RESTRICTION ON COMMUNICATIONS AND TRADING BY INSIDERS

1. Communication or procurement of unpublished price sensitive information.
 - a. No insider shall communicate, provide, or allow access to any unpublished price sensitive information, relating to securities of InCred or securities proposed to be listed by InCred, to any person including other insiders except where such communication is in furtherance of legitimate purposes, performance of duties or discharge of legal obligations.
 - b. No person shall procure from or cause the communication by any insider of unpublished price sensitive information, relating to securities of the Company or securities proposed to be listed by the Company, except in furtherance of legitimate purposes, performance of duties or discharge of legal obligations.
 - c. Notwithstanding anything contained in this Code, unpublished price sensitive information may be communicated, provided, allowed access to or procured, in connection with a transaction that would,
 - i. entail an obligation to make an open offer under the takeover regulations where the board of directors of the company is of informed opinion that the proposed transaction is in the best interests of the company;
 - ii. not attract the obligation to make an open offer under the takeover regulations but where the board of directors of the company is of informed opinion that the proposed transaction is in the best interests of the company and the information that constitute unpublished price sensitive information is disseminated to be made generally available at least two trading days prior to the proposed transaction being effected in such form as the board of directors may determine.
 - d. For the purpose of (c) above, the Board of Directors shall require the parties to execute agreements to contract confidentiality and non-disclosure obligations on the part of such parties and such parties shall keep information so received confidential, except for the purpose of (c) above, and shall not otherwise trade in securities of the Company when in possession of unpublished price sensitive information.
 - e. Trading by insiders including promoters, non-individual insiders when in possession of unpublished price sensitive information shall be governed by Regulation 4 of the Regulations.
2. Trading Plans.

- a. Trading plan is a plan under which an Insider can trade in Securities even when trading window is closed. It gives an option to Insiders who may be perpetually in possession of UPSI and enabling them to trade in Securities in a compliant manner. This provision would enable the formulation of a trading plan by an insider to enable him to plan for trades to be executed in future. By doing so, the possession of unpublished price sensitive information when a trade under a trading plan is actually executed would not prohibit the execution of such trades that he had pre-decided even before the unpublished price sensitive information came into being.
- b. An insider shall be entitled to formulate a trading plan and present it to the Compliance Officer for approval and public disclosure pursuant to which trades may be carried out on his behalf in accordance with such plan.
- c. Such trading plan shall –
 - i. not entail commencement of trading on behalf of the insiders earlier than six months from the public disclosure of the plan. In any case, it should be remembered that this is only a statutory cool-off period and would not grant immunity from action if the insider was to be in possession of the same unpublished price sensitive information both at the time of formulation of the plan and implementation of the same;
 - ii. not entail trading for the period between the 20th trading day prior to the last day of any financial period for which results are required to be announced by the Company and the second trading day after the disclosure of such financial results;
 - iii. entail trading for a period of not less than 12 months;
 - iv. not entail overlap of any period for which another trading plan is already in existence;
 - v. set out either the value of trades to be effected or the number of securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected; and
 - vi. not entail trading in securities of the Company for market abuse.
- d. The Compliance Officer shall review the trading plan to assess whether the plan would have any potential for violation of this Code or “Regulations” and shall be entitled to seek such express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan.
- e. The trading plan once approved shall be irrevocable and the insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the securities outside the scope of the trading plan.

Borrow. With Confidence.

Provided that the implementation of the trading plan shall not be commenced if any unpublished price sensitive information in possession of the insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation and in such event the Compliance Officer shall confirm that the commencement ought to be deferred until such unpublished price sensitive information becomes generally available information so as to avoid a violation of this code or "Regulations".

- f. Upon approval of the trading plan, the Compliance Officer shall notify the plan to the Stock Exchanges on which the securities of the Company are listed.
