6. Institutional set-up for liquidity risk management

The Company has formulated an Asset Liability Management Policy. The Asset Liability Management Committee ('ALCO') is responsible for the management of the Company's short term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and by continuously monitoring forecast and actual cash flows, and by assessing the maturity profiles of financial assets and liabilities. The Company has access to undrawn borrowing facilities at the end of each reporting period. The minutes of ALCO meetings are placed before the Board of Directors in its next meeting for its perusal/approval/ratification.
